Wellbeing, Movement and Physical Health

Nature in Mind Group

Once a month we will be heading out for a mindful walk in one of the beautiful green spaces around Brighton and Hove. There we will slow down, ground ourselves and allow fresh air and the natural world to calm our minds and senses.

Our first walk in 2024 took us to Cuckmere Haven and Friston Forest (above) where we admired the meandering river, spotted the Litlington White Horse and were treated to a show by a European Green Woodpecker. We hope future walks in bluebell woods and the Sussex downs will be just as eventful!

The walks will normally be around two hours / four miles long, with some routes including more challenging, hilly sections. All attending need to be confident walking this distance, and to have joined either a Monday Walk & Talk group or a previous Nature in Mind walk before.

Body and Mind with Glenn (Cornerstone, Hove)

A weekly stress busting stretch and relaxation session. For all levels covering basic stretching techniques and relaxation exercises.

Fitness with Max

Aerobic exercise to music, for all levels, use of weights, in the The Wellbeing Hub ground floor lounges and sometimes in the gardens.

Swimming

Regular group visiting local pools, with Cathy and Abbie, for more info contact reception

Wellbeing, Movement and Physical Health

Self-care Shiatsu Care with Claire (Group)

Spend an hour connecting with your Ki or 'Life Energy'. Expand your breath and your horizons. These Ki-full & peaceful exercises help to keep the body subtle, strengthen muscles & bones, increase anti-bodies, and help overall wellness.

Shiatsu Hands-on, fully clothed, Japanese body work Therapy, one-to-one with Claire

Tuesday afternoons, 30 - minute sessions, book in at reception.

There is a small charge for treatments.

Wear well covering comfy clothing, including clean socks.

Shiatsu is a hands-on therapy, connecting with our life-energy (Ki). It supports and strengthens our body's natural ability to heal and balance itself. It is a deeply relaxing experience. Regular sessions can alleviate stress and illness; maintaining health and our sense of well - being. Shiatsu means 'finger pressure' in Japanese. Normally working on a floor level 'futon mat', seated Shiatsu also available.

Craniosacral therapy with Zoe (limited space course)

Craniosacral Therapy is an exceptionally gentle yet profoundly potent handson therapy to assist the body's natural ability to heal itself, an ability which can become overwhelmed by the impact of stress and trauma.

Using light touch, Zoë engages with the nervous system, fascia, membranes and cerebrospinal fluid, enabling the system to release tension and any physical, mental or emotional trauma held there.

Being so gentle, Craniosacral therapy is suitable for people of all ages, from new-born babies to the elderly.

*Up to 6x sessions offered but the waiting list can be a long wait.
